20th of January 2012

It's my great pleasure to invite you to the 28th senior and 19th junior European Taekwon-Do Championships which will be held in Skövde, Sweden between 3rd-5th of May 2013. Of course we are very happy about this but we are also aware of that this mission is quite difficult because of the short time for preparations. However we now work very hard to prepare the championships. We will do everything in our power to make the championships as good as possible.
